

**Kindly Note:**

1. Performances must not hurt religious sentiments political organizations or institutions of any kind. We expect the participating institution to screen the performance of their teams before sending them for the competition.
2. Dressing must be modest and must pertain to the values of the participating institution. Nudity or other forms of sexual content must not be displayed in any event.
3. All teams must bring the consent letter of The Head of the Institution with seal and signature. They must submit the same at the registration counter in order to participate in the competitions.
4. Controversial, political or religious content will be debarred from participating in the events.
5. The decision to change the venue or time due to any untoward incident rests with the authorities of the host college.
6. Judges decision will be final.
7. Kindly check the website for all updates regarding the programmes and competitions.
